

# Reclaiming Our Air ... For Healthy Living

The prime objective of the **Water Fuel Injection Technology of Invention** (s) is to help reverse the damage being done to "**Earth Ecological Life Support System**" by first of all encouraging the use of "**Water**" as a new "**Fuel**" source since the by-product of releasing thermal explosive energy (gtnt) from water is simply "**Water Mist**" which is energy recyclable by absorbing solar-energy from the incoming sun rays

... automatically limiting the use of fossil-fuel burning

- .. stopping the extraction of Oxygen O<sub>2</sub> molecules from the air since '**Water**' supplies it own oxygen molecule to support the hydrogen combustion process.

Secondly, re-energizing the energy-level of the air by the use of **WFC Gas Processor** by tapping into "**Universal**" energy by way of particle oscillation as a energy generator.

And lastly ~ make use of **WFC Exhaust Air Reclaiming** technology to unlock and do away with airborne chemical-oxides derived from fossil-fuel burning when ambient air passes through the internal combustion (IC) engine running on water

... thereby re-purifying our air for healthy living while maintaining the Industrial economy of the World.

Remember, water, of course, is free, abundant, and energy recyclable.

**WFC Exhaust Air Reclaimer** technology utilizes the **WFC Electrical Polarization Process** to reverse the degradation effect of burning fossil-fuel

...liberating chemical-oxides oxygen O<sub>2</sub> molecules once again for reuse under "**Earth Ecological Life Support System**"

... collecting atoms under static charged for industrial reuse

... resulting in revitalized "Clean" air once again to sustain all life- forms on Earth.

## **WFC Exhaust Air Reclaimer** functions in the following way:

*In almost all cases of scientific accomplishments, spin-off technology occurs. The Water Fuel Cell technology of Inventions is no exception to this rule.*

*For every cause there is a reason and for every reason there is an answer and for every answer there is progress.*

*Without scientific progress, we can not hope to cope with, nor solve, the needs of the World.*

*The answers given below are for this purpose and this purpose only.*
